

## ACADEMIC RANKING

### Emmanuel Lutheran School ranks in the top 10 percent of schools in the nation!

For schools using national standardized tests, rather than State mandated tests, the U.S. Department of Education has published tables of cut scores that place a school in the top 10 percent of schools in the nation. Students at Emmanuel Lutheran School are administered the Stanford Achievement Test (SAT- 9<sup>th</sup> Ed) from Pearson Education, Inc.

Again in 2009, the top 10 percent criterion has been met in both reading and math scores in the highest grade-level at which the tests are administered in the school (8<sup>th</sup> Grade).

<b>SAT – 9<sup>th</sup> Ed.</b>	<b>Grade</b>	<b>School Mean Scale Score at 90<sup>th</sup> Percentile of National School Norms</b>	<b>Emmanuel Lutheran School, April 2009</b>
